

MANY WORDS
MIGHT FIT...

**BUT ONLY THE
RIGHT ONES
REALLY HIT HOME**

WORDS THAT HIT THEIR TARGET

You're pursuing a clear objective with your text – and we'll make it hit home in the language you need. That's our job, and we've been doing it well for many years: providing high-quality language services backed by our strong copywriting and translation expertise and specialised industry knowledge.

We offer specialised translations for:

- Auditing and accounting
- Investor relations and financial reporting
- Banking and stock exchange
- Marketing, advertising, PR and CorpComm
- Law firms and legal departments
- IT, industry, and patents

We guarantee:

- Highly specialised translator teams
- Translators available around the clock thanks to partner offices in Germany and the U.S.
- Up-to-date terminology and customised wording that speaks directly to the target group
- Continuous internal and external quality assurance
- Competitive pricing for all major language pairs
- A reduced workload for you, thanks to our all-around support

MESSAGES THAT ARE PRECISE AND TO THE POINT

Working with our highly qualified team, we make sure that your words will hit their target with the same precision in the translation as in the original text. Our versatile linguistic expertise and industry knowledge enable us to deliver not only correct content but also the appropriate tone for your text. Because ultimately, **it's the nuances that determine whether your words will hit home.**

**TRANSLATIONS
ON TIME.
ON TARGET.
ON THE BALL.**
